

MCAA BASKETBALL ALL STAR INFORMATION

A. Costs

MCAA will announce set cost of participation each year for All Star Basketball. Below costs are a breakdown of the approximate cost.

- a. MCAA does not pay the cost for any team entry into the GRABB (Gwinnett Recreational All-Star Basketball) Tournament. Current entry fees are \$400 per team and may change from time to time as GRABB sets this fee. The entry fee per team will be divided equally between all players on a team. If 10 players are selected for a team, then each player's cost will be \$40.
- b. Uniform costs are incurred by each participant. Every effort is made to keep costs at \$30 or less per player. Each participating player must reimburse MCAA for the cost of an all-star uniform prior to team certification for the tourney. Team certifications will occur on or around February 15th each year.
- c. Practices for each team at Mill Creek Cluster Gym is included in the cost.

B. Number of Teams and Roster per Team

- a. No more than two teams per MCAA age group will be allowed to participate in GRABB. It is league director and Basketball Board discretion on how many teams from each league will represent MCAA in GRABB tournament.
- b. Each team may carry between 8 and 12 players actively on a roster. The recommended number of players per team is 10.

C. Player Eligibility

- a. Any player that is in good standing with MCAA sports and has participated in the current MCAA basketball season is eligible to be nominated for all-stars.
- b. Players or coaches currently suspended under MCAA Code of Conduct violations are not eligible to participate.
- c. GRABB has specific rules that may exclude a player from eligibility such as playing GBL, middle school, High School, or AAU basketball. Please see www.grabb.org for the most up to date eligibility rules for all-star players.
- d. Players must submit a copy of their birth certificates and parental permission slip for the certification process.
- e. Players must be able to participate all practices and games. This is mandatory and not optional.

MCAA BASKETBALL ALL STAR INFORMATION

C. Selection of Coaches

- a. Coach selection for each age group is the responsibility of the League Director(s) assigned to each specific age group.
- b. The League Director may consider the all-star coaching position(s) based on coaches' coaching ability and performance during the regular season as well as code of conduct during the regular season. Violation of MCAA basketball rules or any unlike sportsmanship conduct will result in disqualification from this consideration.
- c. The League Director will take into consideration "the best interest of MCAA Basketball" when selecting coaches to represent our league during all-stars.
- d. "The Best Interest of MCAA Basketball" –
As a member of the MCAA Basketball League, coaches and players are expected and required to act in the best interest of the league, as well as the children and young adults playing at MCAA. Coaches should provide positive support to the league and its players. League business will be conducted in a professional and ethical manner. We are here for a common goal: mentoring our youth and promoting and teaching basketball. This program is for boys & girls with their safety and welfare being the main concern of MCAA. All coaches must conduct themselves in a sportsmanlike manner at all times when they are in the presence of the boys & girls in the program. To insure the success of the program, if the League Director feels that any particular coach regardless of record) best represents these qualities to lead our youth all- star team(s) and represent MCAA; the League Director may make his selection based upon his observations throughout the regular season.

MCAA BASKETBALL ALL STAR INFORMATION

D. Selection of Players

- a. Coaches will be asked to submit the names of the players from their team for consideration for all-stars to the age specific League Director(s). The coach must submit information about each player such as positions played during the regular season.
- b. It is important that each coach submit position information. Many times the 5 best players in a league may be a point guard or a center. Basketball all-stars cannot realistically field a team of 5 guards or 5 centers. Positions are considered when selecting each team.
- c. All-star tryouts/evaluations are required by age group. Nominated players will be invited to an evaluation date for players that will be published one (1) week prior to the evaluations where they may be evaluated performing drills and/or scrimmaging against other candidates. Any coach that wants to attend and observe the evaluation process is encouraged to do so. The all-star coaches will then have final determination of the players that best fill the roles of guard, forward and center for a basketball team.
- d. Players should wear their game jersey to the evaluations.
- e. When rosters are complete, the coach must take his roster, parental permission slips and birth certificates with him when he/she attends the certification process.

E. Game Requirements

- a. Each coach must carry their certified roster book to all games in the event that there is a challenge to one of their players.
- b. Coaches and players should arrive at a minimum of 15 minutes prior to the start of each game.
- c. Players are required to attend all-star practices unless excused.
- d. Players are NOT guaranteed play time during the all-star games.

MCAA BASKETBALL ALL STAR INFORMATION

F. MCAA Basketball Statement

- a. While every effort is made to ensure the all-star process, no process is infallible. MCAA Basketball will make every effort to adjust policies and procedures from time to time to refine the entire process as needed.
- b. MCAA Code of Conduct as well as GRABB conduct rules apply to all MCAA Participants.
